

# WINDOW GRAPHICS

- **SELF-ADHESIVE VINYL**

- This can be used as advertising on the window's exterior - prevents anyone from seeing into the window.
- Also used for lettering or custom graphics on a window in the form of a business name, logo, or hours on an entrance door or window.
- We have the ability to cut out custom shapes from the vinyl so we can really make any vision a reality. We are able to print on the vinyl along with trimming out certain areas.
- This material cost is determined by the size of the project. This will be discussed and quoted upon request.

- **INSTALLATION**

- All vinyl graphics will be installed by RCP Artist Services. These installations will be scheduled by appointment. Installation is \$60 per hour for one installer. This cost will be quoted upon request.

Open Monday - Friday 9am - 6pm
